

BA(HONS) DRAWING WITH INTEGRATED FOUNDATION YEAR

Dear

Welcome to (BA)Hons Drawing with Integrated Foundation Year at Falmouth.

We're getting in touch with some important information about your course that will help you as you prepare to join us.

At the end of this letter, you will find a list of equipment that you should bring with you, as well as any other costs that you might incur throughout your course that are not covered by your student loan. We've also included some pre course guidance and preparation that we suggest you undertake, to help you prepare for your studies.

We've also included some suggested reading. You will have access to all the reading resources from the library when you arrive on campus, but if you're looking forward to getting stuck in, this is a good place to start.

Your academic experience will be predominantly in person with some courses using some digital resources to support your learning. To engage in the digital learning activity, although you will be able to access IT suites on campus, you may find it beneficial to have a laptop to access the platforms and tools we use. You will be provided with free access to the Microsoft Office suite, (including Word, Excel and PowerPoint) while you study at Falmouth.

Student Finance

If you are eligible for a loan from Student Finance and have not yet applied, please do so immediately to ensure the loan is approved before you enrol. Once you enrol you are liable for the tuition fees. You can find more information from the Student Loans Company at: [gov.uk/government/organisations/student-loans-company](https://www.gov.uk/government/organisations/student-loans-company) If you are paying for your tuition yourself please check out falmouth.ac.uk/study/tuition-fees. Advice on managing your finances whilst studying can be found on the University's website here: falmouth.ac.uk/study/student-funding/how-much-does-it-cost

Student Support

We know the prospect of coming to university can feel overwhelming but we're here to support you every step of the way. You can find an overview of the support available to you once you get here at this link falmouth.ac.uk/experience/support

To help us provide you with the right support during your time at Falmouth, if you have a disability, health condition or Specific Learning Difference (SPLD), you should apply for an Individual Learning Plan (ILP). This document suggests simple adjustments to your academic experience, tailored to your needs. By disclosing early, we can ensure that the necessary support is in place before you begin your journey with us. Find out how to apply here studyhub.fxplus.ac.uk/accessibility-inclusion/ilps

FALMOUTH UNIVERSITY

If you don't have a formal diagnosis of an SPLD such as dyslexia, dyspraxia, or ADHD but think you might, our free online screening tool, the Do-It Profiler can help. It's like a quiz that helps pinpoint any areas where you might need extra support. More information and a link to the Profiler can be found here studyhub.fxplus.ac.uk/accessibility-inclusion/spld-screening

Step Into Falmouth

In the coming weeks, you can join our Step into Falmouth programme, designed to provide advice and guidance to help you to settle into university life. This programme includes a range of informative and supportive videos you can view at a time that suits you, followed by live online events in August where you can meet our staff, current and new students. More information can be found at falmouth.ac.uk/experience/new-students/step-into-falmouth

Student Mentors

Before September, if you have any questions, you can join the Student Mentor team on Discord to talk about the course, living in Cornwall and what to expect at Falmouth. Our mentors are already studying on your course, so ask them anything you like. Find them at falmouth.ac.uk/experience/new-students/mentoring. Alternatively, email your name and your course to: studentmentors@falmouth.ac.uk and they will be in touch.

Over the next few weeks, we'll email you more important information about your course and life at Falmouth. If you're going to be away or out of contact, make sure you ask someone to check your emails and reply on your behalf.

We know there is a lot to think about before you start at university. So, we're here to help. If you have any questions, just get in touch with Applicant Services on +44(0)1326 213730, use LiveChat on our website or email applicantservices@falmouth.ac.uk

Finally, we wish you an enjoyable few weeks before the start of term and we're looking forward to welcoming you to Falmouth in September.

Yours sincerely,

IFY Course Leader, Duncan Cameron
Pathway Lead for IFY Group 1: BA (Hons) Fine Art and BA (Hons) Drawing

Getting started

Your offer

If you have a conditional offer, your place is subject to meeting those conditions. This means we're waiting to receive your results or some more information before your place can be finalised. You can see these conditions on your UCAS Hub <https://accounts.ucas.com/account/login>

If you need to ask us anything about your offer, get in touch with our Applicant Services team on +44(0)1326 213730, use LiveChat on our website or email applicantsservices@falmouth.ac.uk

Enrolment and Student Terms & Conditions

You'll get an email two weeks before the start of term telling you how to enrol online. You'll need to enrol before the first day of term to officially register as a student of Falmouth University and receive your undergraduate student loan.

When you enrol, you'll need to agree to and comply with the University's Student Terms & Conditions. These Terms & Conditions are important, and we encourage you to read them carefully, before enrolling. You can find them under 'Student Terms & Conditions' on our website www.falmouth.ac.uk/student-regulations

Tuition fees (per year)

2024-2025 full-time UK: £9,250

2024-2025 full-time International: £17,950

Term dates

Term dates can be found at falmouth.ac.uk/experience/term-dates/term-dates-2024-25

Welcome Week starts on Monday 16 September for first year students.

Study Block one begins on 23 September and teaching and assessment will be throughout the full 15 weeks of the study blocks.

Your timetable

Your academic timetable shows all scheduled learning activities and your course timetable. It will be published from 9 September. After you've enrolled, you can view it via the Student Portal at falmouth.myday.cloud/ or the Falmouth University App. You can download the app by searching the Google Play Store or Apple Store. It will also be accessible at mytimetable.falmouth.ac.uk.

Welcome Week

After you have enrolled, your timetable will show you where you need to go and when on Monday 16 September and throughout the week.

This is the week when you'll meet your course mates, course tutors and University staff. There will be important inductions to both your course and the wider University facilities and services, in addition to social activities organised by the University and Students' Union.

Pre-course preparation

We are not setting you an IFY summer project, but we would encourage you to maintain your creative practice over the summer in preparation for the course start in September.

Additional Note: You might also consider starting a **Creative Instagram feed** or *tumblr* blog. It's also a good idea to perhaps start collecting creative inspiration on *pinterest* boards.

- You can see the IFY Instagram feed here as an example *@falmouthify*

Attend some exhibitions:

We recommend you experience a range of exhibitions, events, and performances, ideally in person. Try to seek out monographs, exhibition catalogues and reviews.

Do some pre-reading, watching and listening:

Raising your awareness of contemporary visual art is a key aim of the course and you may wish to begin this process before you start the course. At this stage, we recommend that you look particularly at survey books that provide a wide range of reference.

Read:

We recommend these texts as preparatory reading over the summer for IFY Drawing and BA Year 1 Starters. They will help you to be best prepared for studying at university. Buying an e-book where available or 2nd hand can be more cost effective, and it doesn't matter which edition you get.

Cottrell, Stella. 2019. *The Study Skills Handbook*. London: Palgrave. RRP £15.99

- Recommended by our academic skills team – this book covers everything from managing your time and taking notes to working with others and developing as an academic writer and critical thinker.
- Tobin, Lucy. 2015. *A Guide to Uni Life*. Bath: Trotman. RRP £9.99
- This terrific book walks you your first day at university, through to managing your money, keeping healthy and making the transition to university life.
- Phillips, Rachel. 2017. *Student Eats*. London: Ebury Press RRP £12.99
- Each year, we recommend a cookery book. Life at university is far more than just study – you've moved home, are living independently, and meeting hundreds of new people as committed to the cinematic arts as you are – life skills are important. We really like Rachel's approach to cheap, healthy ingredients – she's a recent graduate too, so speaks from experience.

Equipment and materials costs

To successfully engage with the IFY and Drawing programme there is some equipment that you will need to bring with you. Please see the list below:

Your academic experience will be predominantly in person, but you will need to access digital resources to support your learning and to upload work for assessment. To engage in the digital learning activity, although you will be able to access IT suites on campus, you will benefit from your own laptop to access the platforms and tools we use. You will be provided with free access to the Microsoft Office suite, including Word, Excel and PowerPoint, while you study at Falmouth.

You will find a camera useful for documenting your practice over the three years. You can either buy your own or Falmouth has photographic equipment available to loan. A suitable alternative is a smartphone with a good quality camera facility.

Drawing materials:

For reference, most of this equipment is available from the Falmouth Campus Art shop:

You will need to ensure you bring drawing materials with you **in Welcome Week** – and you may have some of this already - (total cost approximately £40-£50): Suggested list - e.g:

- A range of good quality wooden pencils: 2H, HB, B, 2B, 4B, 6B, 9B RRP £2-£3 each.
- Oil pastels, wax crayons or posca pens– a small range of colours £10
- Charcoal approximately £3-£5
- Dip pen and black ink approximately £3-£5 each
- A range of painting brushes
- Masking tape and small scissors
- Drawing sketchbooks/notebooks
- Good pencil sharpener
- Putty rubber / Craft Knife / Pritt Glue-Stick
- A small set of watercolour paints
- A set of pliers, metal ruler and a Stanley knife are also very useful

You will need access to drawing materials throughout the IFY and will need a pencil case and/or art box to contain it all – with your name on - and of course you will continue to build your own personal resource materials and equipment depending on your areas of interest as the course progresses.

- Also important - Outdoor clothing, waterproofs and appropriate footwear for field trips and visits.

Typical Course Costs

- £250 - Recurring annual costs may include: art/creative materials and costs towards your end of year show exhibition.

Study trips

There are several IFY field trips and you will need to allow for some costs for student contributions towards coach hire and exhibition entry. Total annual cost approx' £50

If you want to attend the planned IFY week-long residential trip to London in the Spring of 2025 then you will need also to plan for a £100 deposit payment shortly after arriving on the course, to secure a place, and to budget for a total trip cost of approx' £400 - to be paid in instalments.

Reading list

As an IFY Drawing student you will have regular access to timetabled life-drawing classes and this excellent book gives a good overview of the life drawing discipline.

- Spicer, J. (2021). *Figure Drawing*. Ilex Press. RRP £14.90

The following books are recommended reading for the first term of the 3-Year Drawing BA and as an IFY student you may wish to start looking at these, to get ahead.

As part of your 1st year studies on BA Drawing, you will be starting to think about research, and how reading about, and studying, other artists and art theory will support your practice as an emerging artist. The following books are part of the recommended reading for the first term, and will provide a lot of useful information, both written and visual. Limited numbers of the books listed below are available in the Falmouth University libraries. We do not expect you to purchase all the suggested titles for the start of the course, though you may prefer to have your own copies of some of them.

- Boon, M. and Levine, G., 2018. *Practice*, London: Whitechapel Gallery. (£16.95)
- *Drawing: Research, Theory, Practice* - ISSN 20570384 , ONLINE ISSN 20570392 - (this is one of many journal resources that will be available to you at the start of your course)
- Duff, Leo., and Phil. Sawdon. *Drawing: The Purpose*. Intellect, 2008. (£20.00)
- Foa, Maryclare, et al. *Performance Drawing: New Practices Since 1945*. Bloomsbury Visual Art, 2020. (£25)
- Kovats, Tania. *The Drawing Book: A Survey of Drawing: The Primary Means of Expression*. Black Dog, 2005. (£60.00)
- Petherbridge, Deanna. *The Primacy of Drawing: Histories and Theories of Practice*. Yale University Press, 2010. (£50.00)
- *Vitamin D*. 2005. London: Phaidon. (£50.00)
- *Vitamin D3*. 2021. London: Phaidon (£50.00)
