

## BA(HONS) ESPORTS & LIVESTREAMING

---

Dear

Welcome to Esports & Livestreaming!

We're getting in touch with some important information about your course that will help you as you prepare to join us.

At the end of this letter, you will find a list of equipment that you should bring with you, as well as any other costs that you might incur throughout your course that are not covered by your student loan.

We've also included some activities that we suggest you undertake, to help you prepare for your studies.

Additionally, we've included some suggested reading. You will have access to all the reading resources from the library when you arrive on campus, but if you're looking forward to getting stuck in, this is a good place to start.

Your academic experience will be predominantly in person with some courses using some digital resources to support your learning. To engage in the digital learning activity, although you will be able to access IT suites on campus, you may find it beneficial to have a laptop to access the platforms and tools we use. You will be provided with free access to the Microsoft Office suite, (including Word, Excel and PowerPoint) while you study at Falmouth.

### **Student Finance**

If you are eligible for a loan from Student Finance and have not yet applied, please do so immediately to ensure the loan is approved before you enrol. Once you enrol you are liable for the tuition fees. You can find more information from the Student Loans Company at: [gov.uk/government/organisations/student-loans-company](https://www.gov.uk/government/organisations/student-loans-company) If you are paying for your tuition yourself please check out [falmouth.ac.uk/study/tuition-fees](https://falmouth.ac.uk/study/tuition-fees). Advice on managing your finances while studying can be found on the University's website here: [falmouth.ac.uk/study/student-funding/how-much-does-it-cost](https://falmouth.ac.uk/study/student-funding/how-much-does-it-cost)

### **Student Support**

We know the prospect of coming to university can feel overwhelming but we're here to support you every step of the way. You can find an overview of the support available to you once you get here at this link [falmouth.ac.uk/experience/support](https://falmouth.ac.uk/experience/support)

To help us provide you with the right support during your time at Falmouth, if you have a disability, health condition or Specific Learning Difference (SPLD), you should apply for an Individual Learning Plan (ILP). This document suggests simple adjustments to your academic experience, tailored to your

needs. By disclosing early, we can ensure that the necessary support is in place before you begin your journey with us. Find out how to apply here [studyhub.fxplus.ac.uk/accessibility-inclusion/ilps](https://studyhub.fxplus.ac.uk/accessibility-inclusion/ilps)

If you don't have a formal diagnosis of an SPLD such as dyslexia, dyspraxia, or ADHD but think you might, our free online screening tool, the Do-It Profiler can help. It's like a quiz that helps pinpoint any areas where you might need extra support. More information and a link to the Profiler can be found here [studyhub.fxplus.ac.uk/accessibility-inclusion/spld-screening](https://studyhub.fxplus.ac.uk/accessibility-inclusion/spld-screening)

## Step Into Falmouth

In the coming weeks, you can join our Step into Falmouth programme, designed to provide advice and guidance to help you to settle into university life. This programme includes a range of informative and supportive videos you can view at a time that suits you, followed by live online events in August where you can meet our staff, current and new students. More information can be found at [falmouth.ac.uk/experience/new-students/step-into-falmouth](https://falmouth.ac.uk/experience/new-students/step-into-falmouth)

## Student Mentors

Before September, if you have any questions, you can join the Student Mentor team on Discord to talk about the course, living in Cornwall and what to expect at Falmouth. Our mentors are already studying on your course, so ask them anything you like. Find them at [falmouth.ac.uk/experience/new-students/mentoring](https://falmouth.ac.uk/experience/new-students/mentoring). Alternatively, email your name and your course to: [studentmentors@falmouth.ac.uk](mailto:studentmentors@falmouth.ac.uk) and they will be in touch.

Over the next few weeks, we'll email you more important information about your course and life at Falmouth. If you're going to be away or out of contact, make sure you ask someone to check your emails and reply on your behalf.

We know there is a lot to think about before you start at university. So, we're here to help. If you have any questions, just get in touch with Applicant Services on +44(0)1326 213730, use LiveChat on our website or email [applicantsservices@falmouth.ac.uk](mailto:applicantsservices@falmouth.ac.uk)

Finally, we wish you an enjoyable few weeks before the start of term and we're looking forward to welcoming you to Falmouth in September.

Yours sincerely,

**Dr William Huber**  
Course Leader, BA(Hons) Esports & Livestreaming

## Getting started

### Your offer

If you have a conditional offer, your place is subject to meeting those conditions. This means we're waiting to receive your results or some more information before your place can be finalised. You can see these conditions on your UCAS Hub <https://accounts.ucas.com/account/login>

If you need to ask us anything about your offer, get in touch with our Applicant Services team on +44(0)1326 213730, use LiveChat on our website or email [applicantsservices@falmouth.ac.uk](mailto:applicantsservices@falmouth.ac.uk)

### Enrolment and Student Terms & Conditions

You'll get an email two weeks before the start of term telling you how to enrol online. You'll need to enrol before the first day of term to officially register as a student of Falmouth University and receive your undergraduate student loan.

When you enrol, you'll need to agree to and comply with the University's Student Terms & Conditions. These Terms & Conditions are important, and we encourage you to read them carefully, before enrolling. You can find them under 'Student Terms & Conditions' on our website [www.falmouth.ac.uk/student-regulations](http://www.falmouth.ac.uk/student-regulations)

### Tuition fees (per year)

2024-2025 full-time UK: £9,250

2024-2025 full-time EU/International: £17,950

### Term dates

Term dates can be found at [falmouth.ac.uk/experience/term-dates/term-dates-2024-25](http://falmouth.ac.uk/experience/term-dates/term-dates-2024-25)

Welcome Week starts on Monday 16 September for first year students.

Study Block one begins on 23 September and teaching and assessment will be throughout the full 15 weeks of the study blocks.

### Your timetable

Your academic timetable shows all scheduled learning activities and your course timetable. It will be published from 9 September. After you've enrolled, you can view it via the Student Portal at [falmouth.myday.cloud/](http://falmouth.myday.cloud/) or the Falmouth University App. You can download the app by searching the Google Play Store or Apple Store. It will also be accessible at [mytimetable.falmouth.ac.uk](http://mytimetable.falmouth.ac.uk).

### Welcome Week

After you have enrolled, your timetable will show you where you need to go and when on Monday 16 September and throughout the week.

# FALMOUTH

## UNIVERSITY

This is the week when you'll meet your course mates, course tutors and University staff. There will be important inductions to both your course and the wider University facilities and services, in addition to social activities organised by the University and Students' Union.

## Pre-course preparation

### Essential

At this stage many students want to know what we'd recommend they do to be properly prepared for the course in September. A good starter software to prepare you for the first term is OBS (Open Broadcaster Software), a free and open-source software for video recording and live streaming. You should download and begin to familiarise yourself with this software and give livestreaming a go for free. The download and some tutorials can be found at: <https://obsproject.com/>

As part of your initial practice, you might consider (If you haven't already), streaming Games and other content to friends or publicly on platforms like Twitch or YouTube. We also recommend that you go to esports and other community events that have a livestreaming component and get involved with their organisation and management as a volunteer if you are able. You may already be a member of the community as a player review sports but it is good to gain some experience of how production happens even if it is in a grassroots setting. Make sure to watch and analyse esports and other live streams. Analyse and research how they are made in terms of scheduling, show running and content development and see if you can replicate some of the practices yourself with OBS

### Course equipment and costs

#### Essential

The latest advice about which computers we recommend you buy for your course is available here: <link.falmouth.games/computer-advice>

#### Headset with Microphone

You will need a headset with a microphone for some classes. We recommend purchasing a high-quality headset for your comfort. Manufacturers such as Sennheiser, SteelSeries, Razer, HyperX and Corsair are rated highly by our current students. These can cost between £30 - £150.

#### Webcam

You will need a webcam in some teaching. Manufacturers such as Logitech, Microsoft, and Razer are rated highly by our current students. These can cost between £25 - £100.

#### Internet Access

It is important that you secure sufficient access to the Internet as some materials are made available to you through our virtual learning environment. We recommend a fibre broadband connection if available, but a minimum of at least 5Mbps will be suitable for livestreaming content.

If you have further questions, need more detailed advice or would like us to check the suitability of a particular model, then please email [games.support@falmouth.ac.uk](mailto:games.support@falmouth.ac.uk)

## Reading lists

As we'll be studying esports and surrounding theory, these books are relevant to better understand the basic context of esports:
