

BA(HONS) FASHION DESIGN

Dear

Welcome to Fashion Design at Falmouth.

We're getting in touch with some important information about your course that will help you as you prepare to join us.

At the end of this letter, you will find a list of equipment that you should bring with you, as well as any other costs that you might incur throughout your course that are not covered by your student loan.

We've also included useful web links that we want you to look at and a task that you could do over the summer to further your knowledge.

Your academic experience will be predominantly in person with some courses using some digital resources to support your learning. To engage in the digital learning activity, although you will be able to access IT suites on campus, you may find it beneficial to have a laptop to access the platforms and tools we use. You will be provided with free access to the Microsoft Office suite, (including Word, Excel and PowerPoint) while you study at Falmouth.

Student Finance

If you are eligible for a loan from Student Finance and have not yet applied, please do so immediately to ensure the loan is approved before you enrol. Once you enrol you are liable for the tuition fees. You can find more information from the Student Loans Company at: [gov.uk/government/organisations/student-loans-company](https://www.gov.uk/government/organisations/student-loans-company). If you are paying for your tuition yourself please check out falmouth.ac.uk/study/tuition-fees. Advice on managing your finances whilst studying can be found on the University's website here: falmouth.ac.uk/study/student-funding/how-much-does-it-cost.

Student Support

We know the prospect of coming to university can feel overwhelming but we're here to support you every step of the way. You can find an overview of the support available to you once you get here at this link falmouth.ac.uk/experience/support.

To help us provide you with the right support during your time at Falmouth, if you have a disability, health condition or Specific Learning Difference (SPLD), you should apply for an Individual Learning Plan (ILP). This document suggests simple adjustments to your academic experience, tailored to your needs. By disclosing early, we can ensure that the necessary support is in place before you begin your journey with us. Find out how to apply here studyhub.fxplus.ac.uk/accessibility-inclusion/ilps.

If you don't have a formal diagnosis of an SPLD such as dyslexia, dyspraxia, or ADHD but think you might, our free online screening tool, the Do-It Profiler can help. It's like a quiz that helps pinpoint any areas where you might need extra support. More information and a link to the Profiler can be found here studyhub.fxplus.ac.uk/accessibility-inclusion/spld-screening.

Welcome Week starts on Monday 16 September for first year students.

Study Block one begins on 23 September and teaching and assessment will be throughout the full 15 weeks of the study blocks.

Your timetable

Your academic timetable shows all scheduled learning activities and your course timetable. It will be published from 9 September. After you've enrolled, you can view it via the Student Portal at falmouth.myday.cloud/ or the Falmouth University App. You can download the app by searching the Google Play Store or Apple Store. It will also be accessible at mytimetable.falmouth.ac.uk.

Welcome Week

After you have enrolled, your timetable will show you where you need to go and when on Monday 16 September and throughout the week.

This is the week when you'll meet your course mates, course tutors and University staff. There will be important inductions to both your course and the wider University facilities and services, in addition to social activities organised by the University and Students' Union. This week we will also be holding some mending workshops, you will need a garment that requires mending.

Pre-course preparation

For your first project you will need two or three men's shirts. These should be brought from a charity shop or eBay, but not brought new. The shirts will be deconstructed and used for your first project.

We would like you to explore two websites www.fashionrevolution.org and <https://fashion-declares.org> before you arrive, this will start you thinking about Fashion Design's impact on the environment.

Equipment list and costs

Studio materials charge

We ask for a studio fee of £130 in your first week, this is to cover the cost of studio materials e.g. Pattern cutting paper, machine thread, materials for all workshops and bobbin and bobbin case. We will provide a breakdown of this fee when you arrive in September. Any balance left on your credit account due to early departure from the course will be refunded on a pro-rata basis.

Although you will be able to access IT suites on campus, you will benefit from a laptop to access the design platforms and tools we use, engage with online learning resources and watch industry guest lectures. It does not matter if it is a Mac or PC, but it should be able to run Adobe software. You will be having classes on a Mac.

You are required to purchase the following items from this list of essential equipment, all of which is available from www.eastman.co.uk or www.morplan.com. You can use your Falmouth student number (found at the top of this letter) to receive an online discount with both of these companies. Please remember to allow enough time for delivery prior to the start of your course.

It is important that you have the equipment listed below by the beginning of term. You will be using it in workshops from the start. All prices are approximate.

Tools Pattern cutting equipment

- Pattern master metric or Shoben fashioncurve £19.95
- Paper Scissors (about 22cm: for cutting paper in the studio) £6.95

- Tracing wheel £4.45 (nice to have but not essential)

- Tape measure £0.99
- 1 x 30mm dressmakers pins - 100g £6.00

- Good quality pair of shears (for fabric). It is important that you choose your own individual cutting shears as there is a wide selection and you need to find out what size and weight suits you. Ask to try them out in the shop. If you are left-handed you can get left-handed shears. Cutting shears must only be used for fabric and never paper or card. If buying new, make sure you can get all four fingers through the larger hand hole. From £11.95

- A3 spiral bound sketchbook or loose sheets for research, designing and developing ideas. £15.00
- A2 layout pad or tracing paper for drafting designs £7.75

In addition to the Studio materials charge of £130 in stages one and two, students will also be required to purchase project sketchbooks and materials for final garments. You will also need to factor in printing costs and presentation materials. It is difficult to give an exact figure on these additional costs as each project output will be individual to the student. A rough estimate would be £15.00-£30.00 per project, but this can vary depending on the ambitions of your project. Where possible we will provide upcycled calico and donated fabrics to minimise cost and material wastage.

During stage three you will complete your graduate collection, which will be self-funded. The costs will vary greatly from student to student, dependent upon your design proposal. Many students will successfully acquire fabric/materials sponsorship for their collections. A collection can cost from £100 to £2000+. Some students will also choose to develop ideas for printed fabrics through the print areas in the Fashion and Textiles Institute, where typical costs of around £50.00+ for materials, inks, binders, acetates etc can be expected.

You will also produce a hard copy graduate portfolio during Stage three. We do not advocate spending hundreds of pounds on a portfolio case as much portfolio viewing is now done digitally. However, there will be printing costs for the final submission, which will be dependent on paper quality, page numbers etc. An A3 30-page printing job will cost a minimum of £20.00.

Reading list and costs

There are a number of copies of the following books in the University library. You will be expected to reference these books throughout your studies. However, we would suggest exploring the list by borrowing from the library before committing to purchase, so you can find a style of instruction that suits your style of learning.

Those in bold are our most referenced resources.

- **Amaden-Crawford, C., 2006. *A guide to fashion sewing*. Fairchild. RRP £58.00**
- **Campbell, H., 1980. *Designing patterns - a fresh approach to pattern cutting (Fashion & Design)*. Nelson Thornes. RRP £28.00**
- Aldrich, W., 2004. *Metric Pattern Cutting*. Blackwell Publishing. RRP £30.00
- Chunman Lo, D., 2011. *Pattern cutting portfolio skills*. Laurence King. RRP £13.50
- Renfrew, E., 2009. *Basics fashion design 04: developing a collection*. AVA. RRP £14.95
- Dieffenbacher, F., 2013. *Fashion thinking: creative approaches to the design process*. AVA. RRP £28.00

Optional study trips and costs

We run overseas study visits from time to time, for example visiting the international trade show ISPO in Munich, or other trade shows and exhibitions in major European cities. Trips like this are optional and we work hard to secure the best deals for accommodation and travel. A visit to a major European city would cost in the region of £500-£650.

Students may choose to undertake a non-essential self-funded work placement/internship across the summer break between Stages two and three. It is worth considering what the cost implications of this may be if you are required to live and work in London or another location outside of Cornwall for three months.

Highly Recommended - the 'Live @ AMATA Pass'

AMATA is Falmouth University's arts centre, offering a diverse year-round programme of exciting performances and productions, from monthly comedy nights to fantastic live music, trailblazing new theatre and dance.

The programme complements our portfolio of degrees and enables students to experience high quality, contemporary performances on their doorstep.

Students can purchase a one year Live @ AMATA Pass which offers five tickets for £25. This represents a 50% reduction on our standard student ticket price of £10. You will be able to view the programme at falmouth.ac.uk/arts-centre from August 2024. However, the Live @ AMATA Pass is available now to book at falmouth.ac.uk/arts-centre/visit/tickets#live-pass.

Please note: If a parent or guardian is purchasing on behalf of a Falmouth University student, the account should be set up in the student's name, using their email address.
